للتأمين

Since 1975

Why JICO?

- One of the leading insurers of marine business with USD 9,000,000 insurance capacity per shipment.
- We offer tailor made solutions to suit client different requirements.
- We aim to build long term relationships with our partners and clients.
- We have a very short turnaround time when handling policy documentation or claims.

Under our marine insurance umbrella, we can offer a variety of products and services, such as:

1- Cargo Insurance

JICO offers comprehensive insurance protection to cover cargo when transported by land, sea or air locally and globally.

Our insurance policies may be arranged for single shipments through separate declarations or a long-term agreement (Open or Floating Policy) for a specific period and turnover.

2- Haulier Liability Insurance

Haulier Liability Insurance is designed to cover the legal liability of the transporting company towards the cargo owner, which according to the Jordanian Inland Transport Law that holds carriers liable towards the cargo owner in case of loss/damage of transported cargo.

3- Pleasure Crafts (Boats / Yacht) Insurance

The Pleasure Crafts (Pleasure Boats) Insurance compensate for loss to boats and third-party liability. Limits of liability may be tailored to meet requirements.

4- Hull and Machinery Insurance

Vessel Hull Insurance is designed to protect ship owners from any physical loss or damage impacting the hull of the vessel.

Clients and Key Sectors:

Our cargo portfolio includes customers from various domains such as logistic providers, vessel operators, car dealers, and renewable energy providers, large multinational manufacturers and suppliers, medium size importers and exporters.

Claims Handling:

All claims are handled efficiently and fairly in the event of a loss.
