

“Mumayaz”

Car Insurance Program

JERUSALEM
INSURANCE
القديس
للتأمين

Since 1975

Program Advantages:

Your car is your companion

Protect it with the best insurance program!

If your car values more than JOD 30,000 and is less than three years old - then "Mumayaz" car insurance program is the one for you. This program offers you and your car the insurance services and coverage you need through our deep-rooted experience of more than 48 years.

In addition to your insurance plan, you can enjoy "Lababak" service that can help you cover the costs of your car accident without the need to refer back to our service desks.

Additional features & benefits of "Mumayaz" car insurance program:

- Inside agency repair.
- Covering the cost of car rentals for up to 15 days and up to JOD 50 per day, during the time required to fix your car.
- Damage coverage for accidents resulting from natural causes.
- 100% coverage for accidents registered against the unknown.
- Additional cost coverage on original car parts.
- Covering the repair costs without additions to the annual fee.
- Receiving a life insurance policy that has a limit of JOD 10,000 and an age limit of 60 years old.
- Receiving a travel insurance policy valid for two weeks free of charge at the time you prefer for up to 65 years old.
- 24/7 road assistance services that includes but not limited to:
 - Car licensing services.
 - Car towing services in case of an accident, or a mechanical failure.
 - Flat tire exchange services.
 - Delivering fuel.
 - Locksmith services for the doors.
 - Repairing simple electrical and mechanical failuers on site.

You can benefit out of all the mentioned services only for 2.95% percent from the cost of the car's value including tax and the issuing fees.

This program is subject to the terms and conditions and contract exclusions set by Jerusalem Insurance.
